

ANNE

These surface mounted ceiling lights complete the Cabin and Ocean range. The lights are designed to give an optimum of soft light.

The Cabin Anne is the perfect choice for smaller and medium yachts.

The lights are available with or without switch. Also available with additional nightlight from 8 red LED's.

Save 70% energy!

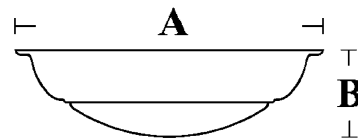

The LED lights are mounted with three warm white Power LED's which gives excellent light.

LED lights are mounted with a multivoltage 10V-30V LED driver.

The lifetime of the LED's is more than 50.000h.

The lights are also available for 12V or 24V G4 halogen bulbs.
